

TEXT MESSAGE (“SMS”) NOTICES

Dear Valued Client,

Our clinic offers several different ways to stay in contact with you regarding your appointments at Clinical Massage Therapy. One of those ways is through Text Message (“SMS”) reminders the day before your appointment.

Due to stricter rules enforced by the Telephone Consumer Protection Act (“TCPA”), we must now obtain written consent from clients wishing to continue or start the text messaging feature available in our scheduling program.

If you choose to continue with this feature, or wish to start receiving text reminders, please complete the information below. A copy of this form will be included in your records.

My staff and I would like to thank you for your continued trust and loyalty.

Warm Regards,

Carmen A. Pagett
